Meet the 2022-2023 Family Community Board!

Hello! I am so excited to be part of CM. My husband Rich and I left Covington for greener pastures and ended up on a farm in Butler, KY! Our children Max (Upper Elementary) and Emme (Upper Elementary) have attended Montessori since pre-primary. This is my third year on the FC Board. I'm looking forward to the coming year, meeting the new families and reconnecting with others throughout the year. I love fresh perspectives, new ideas and the energy of this Community.

Hello there! My name is Lauren Kathman and I live in South Covington with my husband TJ and our 2 children Leo and Maxwell. Both boys are students at Community Montessori. I'm a Programs Manager with the NKY Health Department working with Harm Reduction. I have a Bachelors in Child Development and spent my early career as a Child Life Specialist at Cincinnati Children's Hospital before going back to school for my Masters in Executive Leadership and Organizational Change. In my spare time I love to work on our garden, cook and bake with my family and enjoy new activities. I've enjoyed serving as Community Family Vice President with our school and helping set a foundation for years to come! We are always looking for more families to join us so please share your time as you are able

JIMAE HARMS,
SECRETARY

Hello! I am excited for our family to be back for our second year as a part of Community Montessori! Our daughter, Viv is moving into Upper Elementary this year, and our son, Maximus is in Pre-Primary. My husband, Tad is the Lead Solutions Engineer for Digital Operations at Crossroads Church and I am the Development Director at CityLink Center. I am honored to be serving all of our families this year as the Community Family Secretary and supporting the growth of our community. I also help lead our Girl Scout troop bi-weekly. When I happen upon some free time, I enjoy old-school hobbies like knitting and crochet. Our family has a modest garden that we enjoy nurturing and we love to get outdoors to camp! Now that Max is getting older, we're also gearing up for some small backpacking trips!
